Timeline for 2013 murals selection...

2012:

- October 24: Call to Artists sent

2013:

- January 30: Concepts due
- February 15: First round selections made, maquette requested

- (optional) April 30: Second round artists may be requested to complete a larger painting with more detail, due on April 30
- May 15: Finalists chosen
- July 15 to September 1: Murals painted

Murals to be raised are chosen based on their coherence in design and relevance to the theme chosen by the Members of the Mural Society. No restrictions in terms of content are imagined by the Members of the Mural Society, nor will be used in the selection process.

**Concepts** (due January 30) submitted should include the following materials:

1. B&W or color sketch of mural concept, approximately 8.5" x 11"  
*This need not be a detailed rendering. Past successful entries have been little more than light pencil sketches. What the Board is looking for at this point in the selection process is originality of ideas.*
2. One paragraph description of concept  
*Past successful entries addressed specifically how their concept embodies the theme. Again, the Board at this point is looking for original thinking.*
3. One page resume  
*Please stress any large painting experience, awards, or mural experience. Also, if new to murals painting, please remember that 2010 Members Choice winner An Edmonds Kind of Eve was painter Cheryl Waale's first mural.*

**Maquettes** (due March 30) submitted should consist of the following:

- Detailed color rendering of the mural, approximately 24" x 36"

All materials sent to the following address...

**Edmonds Mural Society**  
**409 Main Street**  
**Edmonds WA 98020**
